## ASIST 11 TuneUp Overview

---

ASIST 11 TuneUp is a half-day seminar for improving participant comfort, confidence, and competence in using the Pathway for Assisting Life or PAL.

The purpose of the TuneUp is to refine previous learning. Workshop is only for participants who attended ASIST 11. Participants who attended the ASIST 10 workshop or previous, should register for the 2-day ASIST 11 workshop.

**Cost:** \$85.00 (HST included) – Includes Materials and Refreshments
